

**FROM: DONALD WILLIAM  
(MANAGER PRIVATE EQUITY FUNDS)**

I am pleased to get across to you for a very urgent and profitable business proposal, I Got your e-mail address the Internet while browsing after I decided to contact you and ask for your assistance in this urgent matter, requiring trust and confidentiality, I am **Mr. Donald William**, a citizen of United Kingdom, the Manager working for Private Equity funds, (**ROYAL BANK OF SCOTLAND** Married with two children. I am writing this letter to ask for your support and co-operation to carry out this business opportunity in my department, On January 12, 2002, a Citizen of France Oil consultant/contractor with Petroleum Corporation, **Mr. Louis Alfred Alexandre**, made a numbered time (fixed) deposit for twelve calendar months, Valued at **US\$200,000,000.00 (Two Hundred Million United States Dollars)** in my branch upon maturity. I sent a routine notification to his forwarding address but got no reply. After a month, we sent a reminder and finally we discovered from his contract employers, the Petroleum Corporation that **Mr. Louis Alfred Alexandre**, died in the plane crash On June, 2009, with other passengers on board as you can confirm it yourself via the website below: <http://www.bbc.co.uk/news/world-europe-14342877>

Most storming of my discovery was that, all records bear no next of kin, meaning no member of **Mr. Louis Alfred Alexandre**, family knows about the deposit therefore, no member of his family will ever come forward to claim the money, In order for the bank not to transfer the said sum of **Two Hundred Million United States Dollars (US\$200,000,000.00)** as unclaimed funds to the british treasury account, the above stated funds must be claimed immediately by somebody standing in as late **Mr. Louis Alfred Alexandre**. next of Kin, because According to (**BRITISH LAW**), at the expiration of (Fifteen) years, the money will revert to the ownership of the (**BRITISH GOVERNMENT**) if nobody applies to claim the fund, This revelation is only known to me because I was his personal account officer before I was posted to become Manager working for Private Equity funds, now I seek your collaboration to act as next of kin to late **Mr. Louis Alfred Alexandre**, to claim the funds and move them into useful investments, we shall split the cash between our self upon the confirmation of the money into your account, **I am ready to offer you 40%** of the total fund and **55%** for me while **5%** will be set aside for any expenses might occur during the transaction.

Please note that by the virtue of my position in the bank, I have worked out the perfect modality as well as I shall provide the relevant information's and documents for the successful claim and transfer of the funds in the account that will be provided by you, I can not stand in the forefront of this transaction because I work with the bank ,that is why I have come to you, for assistance be rest assured that this project involve no risk to you, I would want us to keep communication for now strictly by the email below on my Private Email:
