Hemisphere Gold Inc. (HPGI)

Current: \$1.00

Market Alert - Strong Buy

Gold investors find safe haven as the US Dollar continues to drop throughout 2007.

Market Status:

Since 2006 market annalists predicted gold to hit \$800 per ounce within two years. Gold has hit \$812 an ounce just one year later due to depleted gold supplies and a falling US Dollar.

In an effort to find more gold, recent findings of large Gold deposits in Suriname has turned this small country into a modern day gold rush.

Now, you might not be a very technical person, and may be thinking that you would never come up with an idea like this.

Personally, over the next few weeks I will be placing a few speculative bids myself, as well as approaching a few sellers after the auction has ended.

A good idea would be to visit the eBay forum and other auction related forums. It's proved to be a very informative thread and has certainly fuelled a few ideas as for those participating in and reading it.

The theory being that if someone likes what I've written in the report, they might decide to have a look at my websites, and maybe sign up to my newsletter etc.

If you are looking for a bit of business idea inspiration, I strongly recommend you check this website out.

"What I will be aiming to do is try and produce as many different traffic generating methods as I can.

This was when the media frenzy whipped up a real pace and the website was literally flooded with visitors.

As another nice touch they are also donating a percentage of the profits to charity.

So many, that they had to shut the site down and upgrade the servers.

If you visit Internet forums, you could help other forum members to speed up their web pages by offering the free report to them.

If you were to get in now you could make a killing!

People aren't going to flock to download it, just because I'm not charging for it.

I will then send a short e-mail with a download location so you can see what I've done.

Some people just don't like to have on-going fees even if the one-off cost option is initially high.

However, it is such a simple idea that I don't really think I can get away with charging anybody for it.

I have managed to secure a special discount deal for members of my 'Business Brainwaves' newsletter.

It's proved to be a very informative thread and has certainly fuelled a few ideas as for those participating in and reading it.

Find out how you can adapt what they are doing to the same or similar markets.

Obviously, most people are not going to stumble on a life saving kangaroo like this one.

Could You Copy One Of These Ideas and Build Your Own Success Story?

If you don't have your own website yet, you could have done the same thing but instead of linking to your own website, you could place one or two ads for dog related products.

Sure, some of them will probably ignore your request, or turn you down flat.

They are all successful enough to be considered 'super affiliates' They all seemed to make the same mistakes when they started out.

Just make a few posts, asking if anyone uses audio in the auction listings.

I had plenty of feedback, with all sorts of questions flying in.

How To Profit From Niche Markets How To Profit From Niche Markets Without Having Your Own Website.

If you can create something of value, and then allow people to pass it around freely, you could soon have a 'publicity virus' on your hands.

He was happy to wait for a bargain.

Just remember, if you try anything like this yourself, it won't always work out.

Place an ad in your local paper and see how things go.

They seem to be concentrating all their efforts on marketing to website owners.

At the end of the day, all those hungry mouths will need to be fed somehow.

So long as you can provide some information of value, you could find that people start passing your report around all over the place.

However, as an entrepreneur it may pay you to keep your eye out for any unusual events, acts of bravery, etc.

This sort of learning experience would go down very well with eBayers.

When you pay for hosting for your website, you are usually given a bandwidth limit.

As you'll be following me along this traffic hunting journey just a few steps behind, I'm hoping that if I'm successful you might just think: "Hang on a minute, if he can do all that, so can I!"

Some of them have been marketing online for ten years, one of them has only been promoting affiliate programs from the beginning of THIS year!

You can use this simple technique yourself when promoting your own websites or affiliate programs.

The problem is, with most stand-alone website audio software, the actual recorded audio message has to be uploaded to a website.

You could look at what sort of thing they should record I.
