

Fearless International (FRLE) \$0.19

Fearless International Inc., a luxury performance boat manufacturer, has been the focus of the media for the last several months in magazine such as GQ, Time, Bloomberg Markets, Maxim, and over 20 others.

According to TIME, "When a company bold enough to call itself Fearless Yachts splashed onto the luxury-boat market, it drew considerable attention. Collaborating with Porsche Design Studio/Austria on a series of high-style, high-performance yachts, the brand unveiled its first model, the Fearless 28, in February." Since its release, Fearless Yachts has taken orders for more than 33 Yachts bringing more than \$10 Million in sales and put the production facility at 75% capacity.

Top 5 Reasons To Consider Fearless Yachts:

- 1: Already \$10,000,000 In Sales Since First 7 Months.
- 2: First of a 5 yacht series had huge response from the market.
- 3: Next yacht designs have been released and Debut is in Miami in February
- 4: Company set to begin international marketing.

I live in hope that you will one day open your eyes and embrace life.
When politicians are building, they don't worry about such nonsense as demand.
You reside in a country in which the ministers of health are educated and eager
to make a difference.
But only for heinous crimes which are proved beyond ANY doubt.
I wouldnt support a move to ban Muslim dress in Britain.
I wouldnt support a move to ban Muslim dress in Britain.
Or driving along the road with one of them on his knee?
Unlike previous years - when the organisers have struggled to find buildings of
sufficient complexity - this year's jury is spoilt for choice.
This is her last chance.
Unlike previous years - when the organisers have struggled to find buildings of
sufficient complexity - this year's jury is spoilt for choice.
" Although Malaysia is a moderate Muslim country with sizeable non-Muslim minor
ities, conservative groups often frown upon departures from strict Koranic injun
ctions.
If that's the best on offer then they should go back to the drawing board quite
literally!
You sir, are a pathetic coward who will continue to pat failure on the back for
fear of insult.
That will soberher up pdq.
We create tall poppies and then when they're on top we bring them down.
Lincoln was wrong; he should have let the South go; it would have increased the
average IQ of the US quite nicely.
Britney clearly has problems and is showing classic signs of pnd.
oh and suggested that making kids wear school uniforms would heal the problems w

ith society.

If you go to a foreign country you have to adhere to their laws or you reap the penalty for breaking them.

Why didn't they teach her to be a mother.

You cant employ the argument that suggests colonialism is responsible.

"People can then claim to be an international artist, it's a desire to prove yourself on a different stage.

You have no inclination about what Africa is like.

The reasoned contribution.

orthodox jew clobber.

They just want routine, calmness and love.

include the Glasgow-born writer Andrew O'Hagan.

My initial statement was that societies need to be accepting of eachother in order to promote harmony.

My point is that we're happy to accept mediocracy in Scotland.

NICOLA MORGAN Children's author and writer on child development EVEN if only a small part of the reports about Britney Spears' parenting is true, it's still a very sad story.

We support them, we encourage them and give them God like status and when they can no longer 'handle' the limelight we rip them to pieces.

Though I believe she should be given a chance to do so first.

I think that name literally means "Dork" in Scottish-American English.

We could say what we wanted unless it offended others.

yes dear and banning muslim dress in Britain is really going to bring peace and harmony to all of us eh?

This doesn't make her a bad mother.

I dont even think we see the half of what you are capable of on this forum.

lolI think I got of the topic somewhat though.

Switch now - it's easy!

"Artists always want to prove themselves," he said.

If Britney cleans up her next comeback will be worth megabucks.

Thats when everything appears to have gone wrong.

I said it would help kids to find a some self respect.

If abuse is not happening, courts might be better to hold back on judgements.

I live in hope that you will one day open your eyes and embrace life.

here in Britain we have no religious or cultural dress code.

The reasoned contribution.

" 'JUDGES ARE SPOILT FOR CHOICE' PENNY LEWIS I DON'T envy the judging panel for this year's Andrew Doolan Award.

there are two sides to every story and yet you refuse to acknowledge the damage that apartheid brough to the lives of black South Africans.

" Although Malaysia is a moderate Muslim country with sizeable non-Muslim minorities, conservative groups often frown upon departures from strict Koranic injunctions.

Im glad she is staying home.

The first thing that I think she needs to do is to get herself out of the media spotlight.

Seriously what does that tell you about the woman?

If you go to a foreign country you have to adhere to their laws or you reap the penalty for breaking them.

it's not just an intinct as many people think.

Better architecture could make our people happier.

"Best interests of children have to be served" and "The children's welfare is paramount" This is not happening!

These radical suburban homes for Bryant, the volume house builder, have glorious south facing living rooms, clever plans and stained black timber cladding.

Seems the lady in question needs to hit a personal rock-bottom - to get to where she is sick and tired of being sick and tired.

Seems the lady in question needs to hit a personal rock-bottom - to get to where she is sick and tired of being sick and tired.

However, my favourite is of Leo Houlding mid-dyno - look, no hands!
knowing full well that their laws are archaic and entrenched in heavy religious and cultural tradition?
It's a joy to be there - but, depending on the conditions, crossing the Pentland Firth can be a challenge.
some places we're not even able to put Christmas manger scenes in public for fear of offending someone.
If anyone has a grudge against her, well its mostly likely that the gravy train has come to an end.
"I hope this shows other housebuilders that there is monetary as well as architectural value in trying hard, making interesting modern architecture.
"I wish I could fly, And I wish I could type, But I cant""You can""You cant".
Our health minister says that beetroot and garlic is a better cure for AIDS than any Western drugs.
the wearing of the sari.
and the profound haunting lyrics of, 'The technology that the white man has brought us'.
Since my own divorce I've rarely seen my own daughter - I've have had to adjust to the fact that i can no longer do the things we used to do.
and traditional muslim gear.
The newspaper item states that both the houses and flats overlook the Pentland Hills.
You cant employ the argument that suggests colonialism is responsible.
I know there are places that mothers with addictions can go 'to dry out' and still have their children with them.
An arts centre in Orkney, a school for disabled students in Glasgow and the Maggie's cancer centre in Fife, designed by Zaha Hadid, are also in the running.
Dundee-born Cox, who made his movie name playing an early Hannibal Lecter in Manhunter, now divides his time between LA and London.
and the ignorance and uselessness of the black.
Maybe Britney should take her spending power back to her home state, away from what sounds like puritan courts.
Why cannot they see that this does harm to the children as well?
As someone else pointed out, by the standards of the Netherlands, these aren't even that daring.
this aint going to happen in the near future.
Seriously what does that tell you about the woman?
That is the kind substandard nonsense that we put up with in Scotland for god knows what reason.
Britney clearly has problems and is showing classic signs of pnd.
Young children don't need or want things like expensive holidays, cars and gifts.
The Scottish Turner Prize winner Douglas Gordon, now based in New York, is one of the top Scottish names in contemporary art.
Gave up on architects long ago.
There's probably a lot of self-loathing there that perpetuates all sorts of behaviour.
I know much about how the child welfare laws work in the USA, and the lawyers who try to bend the rules.
They'd be able to teach her a thing or two about how to handle the heat!
You have no respect for anything, just a whole lot of liberal ideas that do nothing to assist us in our quest for peace and a world free from hate.
The true culprits in all this are us.
"Did you just equate not wearing a school uniform to becoming a rapist?"
