

Fearless International (FRLE) \$0.19

Fearless International Inc., a luxury performance boat manufacturer, has been the focus of the media for the last several months in magazine such as GQ, Time, Bloomberg Markets, Maxim, and over 20 others.

According to TIME, "When a company bold enough to call itself Fearless Yachts splashed onto the luxury-boat market, it drew considerable attention. Collaborating with Porsche Design Studio/Austria on a series of high-style, high-performance yachts, the brand unveiled its first model, the Fearless 28, in February." Since its release, Fearless Yachts has taken orders for more than 33 Yachts bringing more than \$10 Million in sales and put the production facility at 75% capacity.

Top 5 Reasons To Consider Fearless Yachts:

- 1: Already \$10,000,000 In Sales Since First 7 Months.
- 2: First of a 5 yacht series had huge response from the market.
- 3: Next yacht designs have been released and Debut is in Miami in February
- 4: Company set to begin international marketing.

It sounds like you are better off without this person in your life, so I wouldn't risk your sobriety by dwelling on it.

But if it was Apple that decided to brick iPhones and render them useless on any carrier, what's the business use of this decision?

The mystery of the black hole?

Keep up the great work.

Such a delay could conceivably put off commercial availability until the second quarter or later, although Microsoft doesn't see that happening.

Spend an afternoon reading or people watching in a park.
