

Dear Account User,

As part of our security measures, we regularly update all accounts on our webmail system. We are unable to update this email account and therefore we will be closing your email account to enable the web upgrade now

You have been sent this letter because our records indicate you are currently a webmail user whose account has not been yet verified. We are therefore sending this email so you can inform us whether you (your company) still want to use this account. If interested please confirm your account by updating your details immediately because our system requires an account verification for the update.

To prevent an interruption with your email services, please take a few moments to update your account by filling out the verification and update form immediately.
