Economic Recovery Information

To promote growth and creating new jobs in the European economy, we are giving out a yearly donation to lucky recipients, as funding/aid from the European Union, European Commission, United Nations, UK Government and the United States 2010 Recovery Plan.

The UK government is giving out a cash grant/donation for your own personal, educational, and business development (SME funding).

There is more than a thousand opportunities for grants out there, waiting for deserving applicants. The UK government sets aside half a trillion sterling for grants each year, so go right ahead and see if you can get your share.
