

I am Rasheed Kazeem. I am contacting you because I have an investment proposal that I think may interest you. I represent the interest of my brother in-law who is a minister in the Syrian Government. As you probably know, there is a lot of crisis going on currently in Syria and my brother in-law had fallen out with the ruling Junta and he is currently under house arrest or killed because he has been incommunicado for the past few weeks. While I am sure that he has not done anything wrong as he publicly opposes the decision of the Government since the beginning use weapons on our own people, as a result he has planned for trouble ahead and has made arrangement to secure his family's future in case the unexpected happens. Before he was arrested, he has asked me to help him find a reputable foreign businessman who can help him accommodate and invest \$100 Million USD privately. He is also specifically interested in investing in your country as he believes it is very safe and stable and can guarantee good return on investment. This is my reason for contacting you.

We need your help to accommodate and lodge the funds in the banking system in your country. We will handle the logistics involved in the movement of the funds to you. Please note that the entire business will be executed in a legal way. My brother in-law has promised to compensate you handsomely for your role in this business. He would also like for you to help invest the funds in a profitable business in your country. He has also instructed me that he wants this to be done discretely and he would want to keep his identification confidential. I will be acting as his eyes and ears during the course of this transaction.

If this proposal interests you, please kindly respond so we can go through the details together. Reply me on: [rasheed.kazeem@tewsmail.com](mailto:rasheed.kazeem@tewsmail.com)

Regards,

Rasheed.
